### **EXAMINER'S AMENDMENT**

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Won Joon Kouh on 1/15/2009.

The application has been amended as follows:

Claim 30, line 3 delete "comprises" and replace with "is capable of supporting"

Claim 30, line 5 insert "a monolayer of" between "with" and "said"

2. The following is an examiner's statement of reasons for allowance: claims 33-36 have been allowed as they constitute the method of making the product in previously allowed claims 1-8 and 24-29. The claims incorporate all the limitations of the allowed product claims and do not present any indefiniteness or new matter issues.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

### ***Response to Amendment***

3. The Rule 312 amendment submitted 1/12/2009 has been entered. The amendment introduces claims that are drawn to the method of making the previously

allowed product of claims 1-8 and 24-29. The claims correlate to original claims 9-16, that were withdrawn and subsequently cancelled but have been modified to include all the limitations of the allowed product claims.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to KEVIN M. JOHNSON whose telephone number is (571)270-3584. The examiner can normally be reached on Monday-Friday 7:30 AM to 5:00pm.
